Sorry I have taken so long to answer your letter of April 12, but there were several angles I wanted to look into. On your visit to Sudan, I believe it would be best if you would write directly to the Embassy of the Republic of The Sudan, 2300 Massachusetts Avenue, Washington, D. C., to request visa applications. They will then send you necessary forms, request your passports, etc., - all of which takes a month to six weeks, I understand. For the flight permit, apply directly to the Director of Civil Aviation, Ministry of Communications, Khartoum, Republic of The Sudan (Cable Address: CIVAIR KHARTOUM), furnishing: the name, address, and nationality of crew members and all passengers; the type of aircraft and CAA registration number; the purpose of the flight; the origin, destination and itinerary of the flight; and the estimated date and time of arrival in and departure from Sudan.

I am enclosing some copies of the Air Force Clearance Guides for Sudan and Ethiopia which, although pertaining primarily to the Air Force, have some general information that may be helpful. I am also sending sample visa application forms, which show the type of information you will be asked for.

Sincerely,

Allen W. Dulles
 Director
